

About Us

HELP4TN is a program that provides Tennesseans with a broad range of legal and social services resources. The HELP4TN web portal has:

- links to legal information in booklets, handouts, and videos
- ways to fill out legal forms
- a blog to learn about your legal rights
- links to find help in Tennessee

You can also get help by calling the HELP4TN civil legal helpline: 844-435-7486. HELP4TN is a program by Tennessee Alliance for Legal Services (TALS). TALS created this website in partnership with West Tennessee Legal Services. A Technology Initiative Grant from Legal Services Corporation made the project possible.

TALS partners with legal service providers to compile legal information on key issues. Additionally, TALS works with the Tennessee chapter of The National Association of Social Workers to build out content. This effort strengthens the social services referral network to families and children statewide.

By combining legal and social services resources in an easy to use format, the HELP4TN site allows Tennesseans to address these two critical and often connected needs.

For feedback or questions about the project or the site or to request flyers to share with clients, contact HELP4TN Program Manager Tim Hughes at thughes@tals.org.
